### Customer Review

1 of 1 people found the following review helpful

★★★★★ **Reason amidst human existence**, March 2, 2013

By **REX SMITH**

Verified Purchase (What's this?)

This review is from: **Beyond the Human Condition (Paperback)**

A wonderful book.

The exceptional range of human behaviour - for good and evil- is explained in evolutionary terms. We are exposed to a mass of information today, about ourselves. We cope poorly with all of this. Conclusions are cast out every minute and behaviour is erratic. Jeremy Grirrith supports human development and almost caresses us through the mundane and the spiritual with reason and compassion.

Rex Smith

David says:

I discovered Beyond The Human Condition in December 1991 and it lead to an 'explosion' of books I'd never heard of in my life time and I'm still reading with enthusiasm:- Freedom, IS IT TO BE, A Species In Denial and about ten of Jeremy's writings. This book is why I'm alive enough to scribe to you. Joy and Love to you all, David Stephens
