★★★★★ This book answers every question you could possibly have about ...

By Amazon Customer on November 20, 2017

Format: Paperback

This book answers every question you could possibly have about the human race ,it explains the state of our world ,why we are so troubled and in chaos,why people can be so greedy ,selfish ,angry etc etc etc . If you want peace in your life or want to know why there is so little of it in the world....well this book talks to your soul . You have to stick with it but it is the most worthwhile read and changes the way we view the world and evolution. I am on my second read ,Jeremy Griffith is a genius.
The powers that be probably do not want you to read this ----go read it !!!!!!!!!!!!!!!!!!!!!
