# Customer Review

★★★★★ **You must read this!**

By [Roz Bachl](#) on August 30, 2017

Format: Kindle Edition

Having read Freedom it has transformed my marriage (it's my second) and finally the world makes sense, with every turn of the page it all clicked into place and is so obvious actually, it's like my soul knew it was true. It's all very exciting too, I can't help but walk around smiling as I love the fact I now have the ANSWERS. For years I have been reading about the symptoms of the human condition, wars, anger, depression, cruelty etc etc now we have the cause thanks to the author Jeremy Griffith. How good can it get? The end to human suffering, yes really! With every turn of the page another question was answered, even the meaning of life! Everyone needs to read this, its an absolute must
