Penny Ayers Wonderful book! Full of so much wisdom and yet the author was able to write it in such a way that I think a middle school student or a high school dropout or anybody that can read at any level would be able to understand it. Or in other words it is not full of language and words written just for college graduates. I highly recommend this book for anyone.

⋮

To solve the world's problems we had to find understanding of the underlying problem of the HUMAN CONDITION — and NOW WE FINALLY HAVE!!

This is the greatest breakthrough in the whole of the human journey of conscious thought & enquiry!
