The saviour is here. The human condition is finally solved, and science has the answer to our problems that this world needs more now than ever. That's good news. It's the best news ever.

This world-saving interview was broadcast across the UK in 2020 and is being replayed on radio & TV stations around the world

THE Interview: How We Can Finally End All The Turmoil & Suffering In The World!

Australian biologist Jeremy Griffith interviewed by
British actor & broadcaster Craig Conway
