World Transformation Movement

September 27, 2019

Breakthrough understanding of the human condition solves human suffering & conflict at its source.

To repair ourselves and the world, we had to solve the underlying problem of our 'good and evil' conflicted HUMAN CONDITION.

And that's what Australian biologist Jeremy Griffith has done! His scientific breakthrough finally unravels the mystery of human behaviour—meaning EVERYTHING in human life can now be explained, fixed and brought back to life!

Tess Watson I totally attest to these claims. I have investigated comprehensively and compared and read numerous alternate 'so called' solutions to the human condition but NONE compare the Jeremy Griffith.

Robert Jan Kelder Have you checked anthroposophy, a holistic view of the threefold human being consisting not only of a physical and biological body, as maintained by Jeremy, but also of a spiritual one as explained in Rudolf Steiner's basic book "Theosophy". More to t... See More

Robert Leonard Mykool Jewlic I agree with you what's it going to take for these scientists and so-called smart people such a Stephen Hawkings to realize there is a God archaeological findings alone isn't good enough how about a time machine so we can actually go back and experience those time periods when Christ was crucified. Amen!

The World Transformation Movement presents the breakthrough biological explanation of the human condition needed for the transformation of the human race.

www.worldtransformation.com

The human race has lived in eternal hope that one day we would find the reconciling and psychologically healing biological explanation of our 'good and evil' conflicted HUMAN CONDITION. Well that dreamed of day has finally - in the nick of time - arrived, and the great transformation of humankind IS ON, which you can verify for yourself by clicking here
